

ROLL-AID OPTIONS

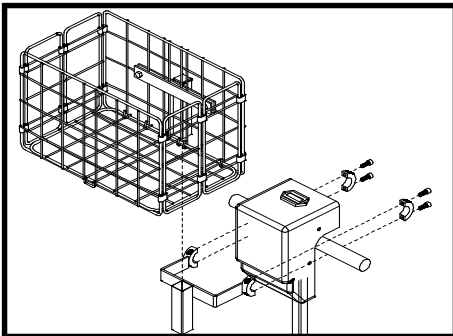

Tiller Bag option: The Tiller Bag is designed to allow the person using the Roll-Aid to place personal things as well as a carrying place for different things. The bag has several different compartments to hold many items. Retail price \$40.00

Battery Indicator option: The battery Indicator allows the user to have an idea of the battery level while they are away from the charger. Retail price \$100.00

Onboard Battery Charger: The Onboard Charger conveniently place the charger on the unit so that it is with the Roll-Aid at all times. Retail price \$50.00

Basket: The Basket option allows the user to put bigger items inside than the Tiller Bag. It is removable and folds up for easily for storage when not in use. Retail price \$60.00

Grooved Tire: Grooved Tire option will allow the Roll-Aid to have more traction
Retail price: \$50.00 (Picture not shown)
